Dedicated To ...
Commodore Rozak

I can think of no better way to recognize the great work of Commodore Ed Rozak than a dedication in the Class of 2021 yearbook. His incredible length of service to the Academy, his tireless dedication to the Regiment and his enthusiastic support for each and every cadet make him a truly remarkable leader. As Jackie Robinson said, a life is not important except in the impact it has on other lives. With that I say, Bravo Zulu, Commodore Rozak, Bravo Zulu.

Sincerely,

Letter from the Admiral

To my Shipmates in the Class of 2021,

The commitment that it takes to accomplish what you have accomplished can not be overstated. What makes you all even more remarkable is what you have done for your alma mater along the way - especially as you took over the leadership of this world-renowned academy in the midst of a pandemic. You have led by example, led with empathy and led with distinction. And for that, I am very grateful.

Your growth - as cadets, leaders, as citizens of this great nation ... now ready to contribute to the world - has been incredible to witness and is something that I am so very, very proud of.

Class of 2021, as you continue your journey moving forward, my ask of you... my charge to you... is simple; Please do all that you can to be a good shipmate...to each other...to your families...to your co-workers...and to every other citizen on this small planet. I ask you to work hard to terminate unjust policies, I ask you to defend those who do not have a voice to defend themselves, and I ask you to recognize and embrace the value of those who are different than yourselves. If we are to repair our damaged society, it will be with your leadership, your compassion and your tireless advocacy for social justice.

I wish you each the best as you move forward in life and I welcome you back to join me at Homecoming for your 5-year reunion... or just for a Chicken Patty Tuesday, if you are in the area.

Fairs wind, following seas and most of all...Go Bucs!

My best regards,

RADM McDonald, MMA '85

Letter from the Regimental Commander

lass of '21,

hink back to August of 2017. Some of us had a general idea of what the next four years ould bring, but none of us could have predicted the reality that followed. While every lass of Buccaneers claims to have had it the worst, none of them were presented with the nique circumstances that we endured. Attending and graduating from Massachusetts aritime Academy is difficult enough. Doing so during a global pandemic, however, is a estament to your maturity, drive, and selflessness. These are character traits we eveloped as cadets.

ur journey was not easy, but I hope you all agree that our decision to attend the Academy as one of the best we have ever made. Be proud of that decision and be proud of where ou are today. Since Orientation, we have all grown immensely learning intently from one nother, building relationships that will last forever, and traveling the world. I challenge ou to utilize your experiences from the Academy to positively impact our nation and orld; become a global citizen.

n closing, I wish you the best of luck in your future endeavors but know that self-discipline ill always prevail. Your time as a cadet may be up, but the hard work must continue if you ant to make a difference in this world. In everything you do, remember the "why" and emember where you came from. Your name is now synonymous with the Academy and ou will always have shipmates to rely on, including me.

O BUCS!

Student Government Association

SGA President
Cameron Crosman

In a year that has been unprecedented and unpredictable, the Student Government Association was forced to reinvent the wheel with respect to how we operate and offer both entertaining and effective programming to our Cadets. I am proud to say that despite all the restrictions and roadblocks that the assembly faced along the way, each member of the SGA truly embraced the ideology of "step up or step out" to offer more programming than has ever been offered by the SGA. I am thankful for the endless effort from all of our Class Representatives, Committee Chairs Executive Board Representatives, and Advisor Kate Jones for putting our students first in a year that was more challenging than ever before for the SGA. A special thanks also goes out to COMCAD and Health Services for working with us to make our programming available and safe for all Cadets.This has been a year that has truly redefined the importance of the SGA as we have increased venues for Cadets to voice their opinion and bring about real change both now and in the future. New opportunities and ideas have taken root that will completely change the Cadet experience at Mass Maritime. While we took a step in the right direction, there is always more work to be done and I am confident that the SGA will continue to step up like they have this year.

If this pandemic has taught us anything, it is to appreciate the little things. Who knew that something as simple as the face to face human interaction would come under fire as unsafe. Or that getting together with the lifelong friends that we have made in our time at the academy would be deemed a capital crime. By the time you're reading this, that will all hopefully be a thing of the past as we move forward into a bright future with a renewed sense of appreciation for these life moments that matter. Where others have fallen flat on their face and put up the white flag, I am truly proud of the resiliency our Cadets have shown in stepping up to face this challenge. Winston Churchill once said, "Success is not final, failure is not fatal, it is the courage to continue that counts." No matter what happens in life and what failures you face, may you look back on the courage you have all shown during these trying times to inspire you to go on until the end. I truly believe that that is the measure of a person and most importantly, a Mass Maritime Cadet.

EVENTS

In a year like no other, most normal events like Ring Dance and the Spirit of Boston were forced to be canceled. With a very limited number of students on campus we instead adapted and made new events including the winter festival and the Mongolian Cup. Early predictions had the possibility of Emery Rice Day getting canceled but luckily it was able to happen.

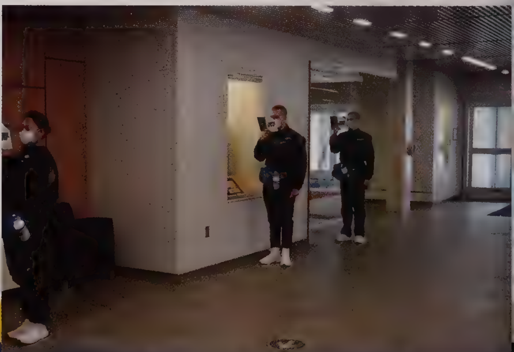
Spring Assimilation

Before the spring semester starts, any students that are entering MMA need to be caught up on how things are done. The incoming cadets go through a short assimilation to learn about the regiment and will later have to complete the full assimilation in the fall with the next incoming class. Spring assimilation is run by the 3/C and 2/C cadets.

MASSACHUSETTS
MARITIME



Pre-Assimilation Week

With Orientation shortened to one week and called Assimilation, Cadre took time to prepare themselves for two battalions worth of incoming cadet candidates this year.

1st Battalion Assimilation Week

Arriving in August the incoming freshman, "Youngies" are trained for two weeks in cold water survival, fire fighting, shipboard safety, and the lifestyle of being apart of the MMA regiment. With Covid-19 restrictions each Battalion spent one week on campus training in person and one week at home for online trainings. This is the first step in becoming apart of the MMA community.

Recognition

When the incoming class first arrives at MMA they are considered Cadet Candidates until they have earned the right to be full fledged 4/C Cadets. In early October we recognized the freshman who have worked hard to become apart of the MMA regiment and proven their worth.

Intramurals

Each semester, companies battle it out through various athletic competitions to find out which company has the most athletic skill! The winning company receives the award of Commandants Cup and holds that title until the next company wins.

Coasties Exams

The Coast Guard Exams. The day every license major dreads most. Marine Engineers and Marine Transportation majors spend all four years at the academy preparing for the USCG License Exam where they take a multiple of different tests for either their 3rd Assistant Engineers license or 3rd Mates License respectfully. At the end of the test and if they passed, cadets can ring the bell to let the whole campus know they successfully acquired their license.

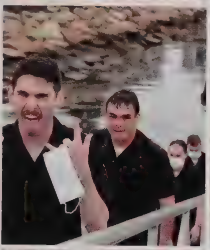
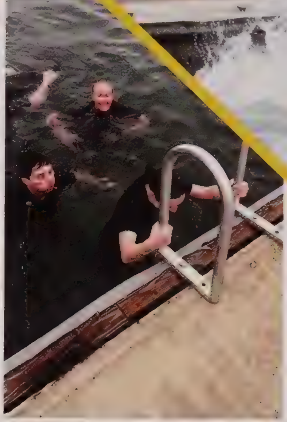
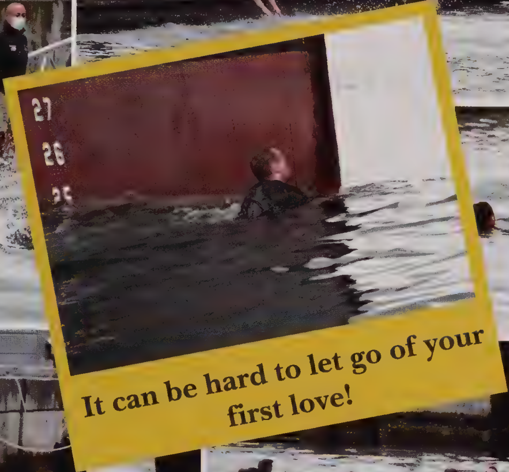
Senior Swim

Following tradition, all 1/C Cadets jump into Buzzards Bay during one morning formation to kiss the bow of the T.S. Kennedy.







It can be hard to let go of your first love!

Mongolia Cup Week

Named after Emery Rice's ship, the SS Mongolia, this week-long tournament consisted of daily challenges that handpicked teams of eight from each company competed in. These challenges consisted of a blind folded maze, tug of war tournament, relay race, and an obstacle course held by Grit 'N Wit! Congratulations to 3rd Company for being the first winners of the annual Mongolia Cup Trophy!

USCG Program

The MMA Coast Guard Auxiliary University Program or AUP mission is to provide a continuous resource of well-trained viable officer candidates which can develop into career officers in the United States Coast Guard or similar service agency, without the commitment of an ROTC Program. Our AUP Unit at MMA is recognized as the largest AUP program in the nation. Each student upon graduation will be a qualified Vessel Examiner, gain leadership experience, have the ability to work as an intern with the USCG, complete volunteer work, and much more. The Unit is commanded by 1/C Christian Fonseca, with 1/C Deven D'Eon as Executive Officer, 1/C Savanna Leite as Secretary, and 1/C Matthew Joia as Member Training Officer.

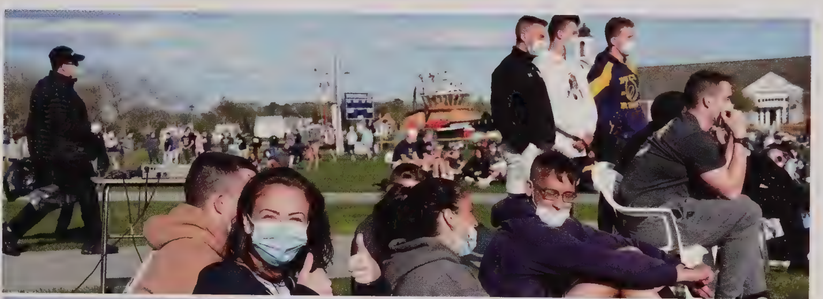
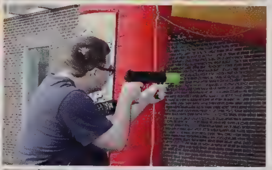
Emery Rice Day

This year's Emery Rice Day was a huge morale booster to the campus. The event honors Capt. Emery Rice, a graduate from MMA who was on the first American ship to sink a German submarine during WW 1. The event included several local food trucks, a cook out by Chartwells, stand up comedians, and of course free T Shirts!

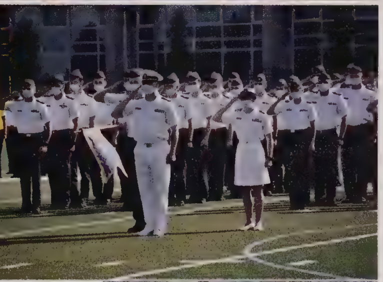




Change of Command

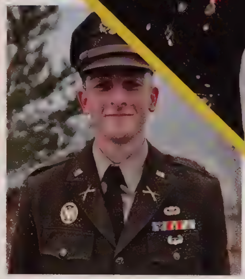
Change of Command Ceremony is both the symbolic and physical transfer of leadership responsibilities from the graduating class to the second class cadets, who will assume their new roles in preparation for orientation and their senior year.

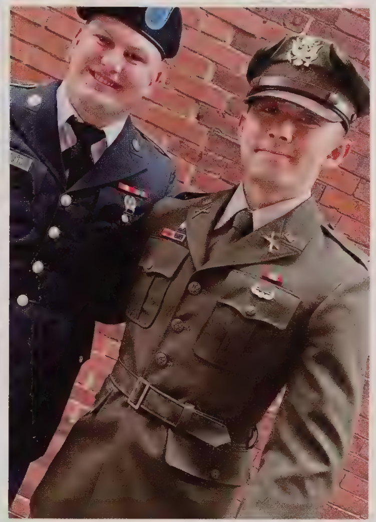
Lock your knees and hold your breath!



Commissioning

Congratulations to this year's newly commissioned officers! Cadets that participated in the ROTC, Semper Fi Society, and Navy SSMP programs were trained in leadership labs, field training, and physical training to become the leaders they are known as today! This ceremony honors their hard work and achievements as higher ranks in the armed forces.





Ring Ceremony

Although the traditional Ring Dance was canceled due to the pandemic, the senior class was still able to dip their class rings in the "Waters of the 7 seas". Afterwards, friends and family were able to mingle in the messdeck for a sunset reception.

SEA TERM

Just like everything in 2020 and 2021 sea term was "different". Instead of cruising around the Caribbean and stopping at different ports during the months of January and February, the T.S. Congratulatory Messages

Dylan Maini

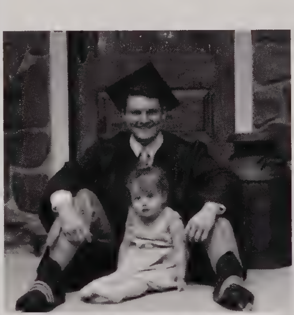
You made it Dylan!
The last 4 years were a challenge in so many ways. We pushed you to continue when you had your doubts but you worked hard, never gave up and accomplished your goal like we knew you would. We couldn't be any more proud of you!
We Love You! Mom, Dad, Sydney, Kayla, Krysti, Danny, Garry, Maddie, Skarlett & Logan

Four friends from high school graduating together from MMA, Ross, Ryan, Dylan and Sean you are all amazing young men who have a successful future ahead of you. CONGRATULATIONS!!

Trey Jeffrey Guerrini

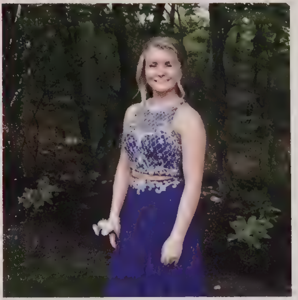
Congratulations! I hope your dreams take you to the corners of your smiles, and to the most special places your heart has ever known. .

Love, Mom and Dad



Alexa Carroll Leduc

Alexa,
I wish you the strength to face challenges with confidence...
Along with the wisdom to choose your battles carefully...
I wish you adventure on your journey and may you always stop to help someone along the way...
Listen to your heart and take risks carefully...
Remember how much you are loved
I am so proud of the woman you have become!
Love Mom



Jaylon Thomas Todman

Jaylon,

If we as your parents could give you one thing in this lifetime, we would give you the ability to see yourself through the eyes of others.

Only then would you realize the amazing qualities you possess that are admired by us, your family and friends.

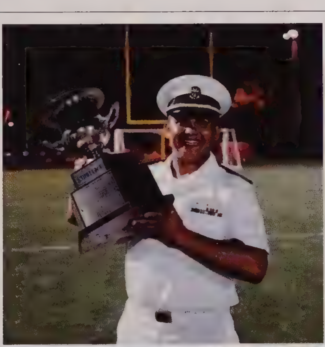
We are so extremely proud of the loving, generous, humble, selfless, hardworking man you have become.

Today we celebrate you and your many accomplishments and sacrifices over the past 4 years.

This achievement is much more than a piece of paper as it symbolizes your knowledge, diligence, perseverance and overall commitment to your future.

As you move on to this new and exciting chapter in your life we hope you remember to be who you are, do what you love and go wherever your heart leads you.

Love, Mom, Dad & Araya



Hannah Mannai

Congratulations Hannah -You Did It!

It has been an amazing and unique journey, from the farm in Vermont to graduation from Massachusetts Maritime Academy. You continually chose to take the road less traveled and it shaped you into who you are today! You faced challenges and adversity head on with determination, discipline, resilience and persistence - you never quit! You followed through on your commitments while staying true to yourself. With every challenge, you consistently persevered, growing and developing as a person and leader. You did the work and you earned it! You are ready and prepared to continue on your journey to new heights and expanded horizons. Ahead of you lies a bright future filled with adventure, joy and success!

Love,

Mom, Dad, Sam, Jaime, and Justin

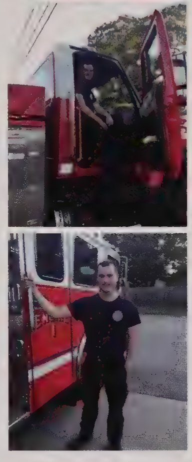
Alex

Congratulations to you and the class of 2021! On to new adventures! We are so proud of you!

Love,

Mom and Dad

Justin F. Chaires



Congratulations Justin!

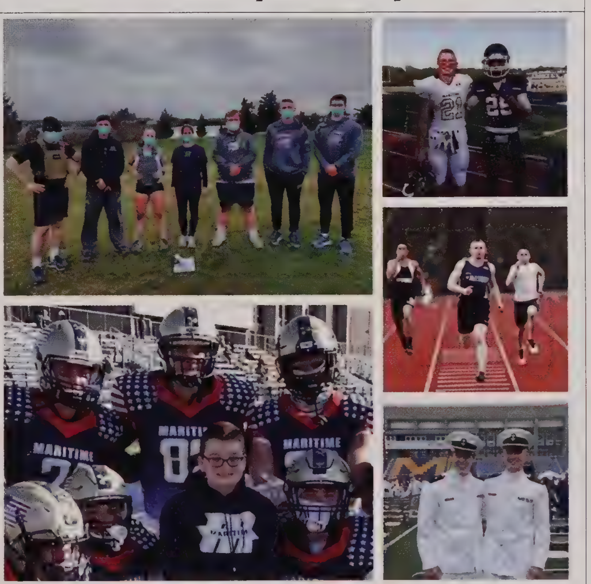
We are so proud of all your hard work and determination. As your journey continues, remember to find

Your Strength in Knowledge
Your Wisdom in your Heart
Your Confidence in Self.

We will always be your True North.

Love Mom and Dad
& your home squad!

Brady Bailey



Congratulations Brady!!
Lots of love
Mom, Dad, Brooke and Bennett

Muster Staff

Thank you to everyone who participated in the making of the 2021 Muster! A special thank you to LCDR Pinero for being the advisor, Joe Malkin for providing great photos for our athletes, and the SGA for the funding to make this happen. Class of 2021 we hope you enjoy this gift so you may remember your time at MMA. Go Bucs!
